Light. Calm. Château-inspired elegance.

Apartment 3.2 with its own terrace

Light cappuccino and ivory, subtle accents of
midnight blue, walnut and satin-finished metal.
Interior window and door frames are light cappuccino.
Outside they are British green. LEDs complement the lights.

The open living space combines sleeping, a salon
and a round dining table. A built-in fridge is concealed
behind light doors matching the kitchen style.

The original layout reference is retained on the right.
The views illustrate materials and atmosphere.
Exterior views focus on seating and greenery.

Cappuccino | Ivory | Midnight blue | Walnut | Satin metal

Living salon

Subtle château-inspired elegance, a built-in fridge and a natural connection throughout the apartment.

A peaceful sleeping area

Pale upholstery, coordinated bedside tables and subtle midnight-blue accents.

Bright bathroom

Beige stone, a glass shower and satin-finished metal details.

Calm in every detail

Large-format beige tiles
are complemented by a fine horizontal texture
on the rear shower wall.

Clear glass and a wall-mounted basin
keep the room airy.

Satin-finished taps, a backlit
mirror and soft light echo
the apartment's pale colour scheme.

Beige stone

Satin metal

Ivory

A detail that completes the whole

A backlit mirror, glass light and delicate stone grain around the basin.

A terrace full of life

Light cappuccino seating, greenery and a sunny afternoon with the family.

Early evening with a glass of wine

Light from the apartment and garden lighting accentuate the terrace's intimate atmosphere.
